

Your Bible reading time is precious. Try not to rush it. Choose a time when you are not tired or anxious; preferably the same time each day, so it can become a good habit. Start with a few minutes silence, so you are calm to receive from God. Then pray. You might like to use the prayer below. In the same way, after reading, be silent and still so God can speak to you. Make a note of what He says and of any verses that strike you.

**Father, time reading my Bible is time spent with you.
 As I read, help me to understand it and be changed by it.
 Holy Spirit, cleanse my mind of all unhelpful
 and distracting thoughts and breathe life into the words.
 Lord Jesus, I welcome you into my body, mind and spirit.
 Heal me, so that I may use what you say
 to serve and represent you well today. Amen.**
